TERMS AND CONDITIONS

Your use of any Hanna-Barbera or Turner royalty free product acknowledges your acceptance of the following terms, conditions and limitations of use. In the event of a breach of this License Agreement, action may be taken against you directly by the owner of the copyright.

Hanna-Barbera or Turner royalty free products are sold to you with a lifetime non-transferable license for synchronization rights only.

RIGHTS GRANTED

You have the right to synchronize the audio content from any Hanna-Barbera or Turner royalty free product with audio and/or visual productions or applications such as • film & video productions • training and marketing presentations • corporate videos • radio presentations or commercials • television presentations or commercials (hereinafter referred to as "the Production"). You may create copies of the Production. If you sell, lease, give away or otherwise distribute copies of the Production, the rights and limitations to the synchronized audio content as outlined in this End User License Agreement are in effect for the life of the Production and pass automatically to the End User of the Production. All rights not expressly granted herein are reserved.

LIMITATIONS

Copyright infringement is a serious offence. You are **not** authorized to:

- Make copies of any of the unsynchronized recordings contained within Hanna-Barbera or Turner royalty free products, except as may be designated to a single stand alone workstation for the sole purpose of specific audio and / or visual synchronization at your own facility. You are only licensed to keep one copy of the audio content on one stand alone workstation at any given time.

- Sell or otherwise dispose of computers, hard drives or discs or any other electronic storage media which contains Hanna-Barbera or Turner proprietary sounds or music (Sounds) unless all the Sounds have been deleted. All Sounds maintained on any computers, hard drives, discs or any other electronic storage media must be deleted immediately upon any return of Hanna-Barbera or Turner product to the vendor.
- Change or alter in any way an original music composition owned or represented by Hanna-Barbera or Turner (for example adding instruments or lyrics) without the prior written consent of the owner.

PERFORMING RIGHTS

With respect to any music compositions that may be included in any Hanna-Barbera or Turner royalty free product, this License does not include Performing Rights. Performing Rights represent the entitlement of music composers and publishers to benefit from the public performance of their compositions. Performing Rights societies like ASCAP and BMI in the United States and SOCAN in Canada, as well as many more around the world, have been established to collect and fairly distribute Performing Rights fees to music composers and publishers. If you use any musical compositions contained within any Hanna-Barbera or Turner royalty free product for either broadcast or non-broadcast productions that are eligible for documentation by Performing Rights associations, said music use should be reported to your local Performing Rights society.
